

## MANAGEMENT COMMITMENT

### ANTI-BRIBERY MANAGEMENT SYSTEM (ABMS)

In order to implement ISO 37001 regarding Anti Bribery Management System to realize PT Medco Power Indonesia (PT MPI) with integrity, PT MPI Management is hereby committed to :

- Comply with MedcoEnergi Value, Good Corporate Governance, Code of Conduct and MPI Anti-Bribery and Corruption Policy
- Commitment to integrity is clear and strong. Our stance is zero tolerance to bribery and corruption in any forms
- Prevent corporate bribery and corruption with our Compliance Program
- Fostering and integrating anti-bribery & corruption culture within the organization
- Encouraging participation and awareness raising concerns in a good faith
- Any individual who is found to have provided or accepted bribery or other acts of corruption shall face a disciplinary action that may lead to termination of employment and allegations of criminal charges.
- Willing to comply, implement and supervise the implementation of ABMS commitments
- Continuously challenging ourselves to improve the anti-Bribery and corruption management system
- Must uphold this policy, apply it to every aspect of each activity, and act as a good role model to all employees and external parties
